THANK YOU FOR BOOKING WITH US

Thank you for booking with us! Just a few things to make your trip even more awesome! Remember we will be in touch with in 24 hours of your trip to setup a start time, as well as meeting point!

Included on your full day float trip is everything you're going to need to get into some beautiful fish. We supply all of your gear such as waders, boots, fly rods, and flies. The Trip is typically 8-10 hours from the time we pick you up to the time we drop you off. If you are floating the Bow River we drive you to the river and we have our vehicle shuttled to the take-out point, so it can be waiting for us at the end of the day to drive you back to your vehicle. If we are doing a walk n wade trip, most likely have you follow us to the river, This will be discussed prior to the trip. We supply all snacks non-alcoholic drinks(alcohol is not permitted on the Bow River) and a shore side lunch for the day. Some things we suggest you bring is

- **Rain Coat (cold weather gear, sweatshirts or extra jacket- weather can change quickly)**
- **Hat (helps keep the sun off your head, or a winter hat if weather permitted)**
- **Sunglasses (this is most important, you can't fish if you don't have sunglasses, for your safety)**

-
- **Sunscreen (remember this can damage fly lines, so make sure to clean hands after applied)**

If you have any special allergies or food preferences, please let us know before the trip so we can prepare accordingly.

FISHING LICENCE

Make sure that you purchase a fishing licence either online (www.albertarelm.com), or at one of the stores listed on our website. If you are having difficulties doing this prior to the trip, let us know, as we can always do this the day of, if we don't start too early!

WHEN AND WHERE WILL WE MEET?

Depending on the time of the season, will determine our meet up time. We will touch base closer to the trip (usually within the 24 hour window) date to arrange for a meet up time. Arrangements can be made if staying at Hotels to have you picked up. We will suggest start times based on the way the fishing has been during that time, it is only a suggestion, and we can accomodate any times that you wish. Some early season dry fly fishing happens best before first light, so if you are a super early morning person ask about those start times. During the dead heat of the summer, we try to get in the river as early as possible to beat the heat during the day, it is also easier on the fish before water temperatures start to warm up .

YOUR GUIDES

Here at Fly Fishing Bow River we believe that being a guide is not just being someone who knows how to fish. We believe that just as important as knowing how to fish is having the ability to teach someone how to fish. Spending a day with us on the river, you will see our burning passion for fly fishing. We will teach you the knowledge, patience and understanding that it takes to truly appreciate the art of fly fishing. Putting our guests on big fish is one thing, but giving you the skill set to catch that big fish is another. We take great pride in serving you as our Guest and giving you an experience that you will remember for a lifetime. Giving our guests a day full of tight lines, loads of laughter and incredible

memories is where we set ourselves ahead of other guiding services. If your guide made your experience special, please make sure you thank them by Tipping them.

IF I OWN MY OWN GEAR WHAT SHOULD I BRING?

Although we supply all the gear that you will need on your trip, we also know that lots of our guests are avid fly fisherman and own all their own gear. We encourage you, if you are in this position to bring your own gear. So what should you bring?

ACCESSORIES

- 9' 3x or 4x leaders for nymphing or dry fly
- 3x, 4x, 5x tippet for dries and nymphing (flouro or mono)
- 1x or 2x tippet for streamers
- Waders & Boots (felt or vibram)
- Wet wading is very common in the summer (river shoes, shorts)
- Not necessary to bring a net

RODS

- Mountain Streams - 4wt for dries, 7 wt for bull trout
- Bow River - 5 wt for dries, 6 wt for nymphing, 7 wt for streamers
- 9' rods are common, although 10' 6wt is a great nymphing rod on the Bow

Cancellation Policy

To secure your date in the calendar we require a 30% deposit on your trip. Due to the nature of the business, this deposit is non-refundable. If the river is deemed unfishable due to runoff, or significant rainfall overnight, which has turned the rivers deep chocolate brown, we will refund the deposit, or put the deposit to a future date. **We do not cancel due to weather.**

We do not refund money due to slow fishing (fish are wild animals and we can't control their behaviours, but we do promise you that our guides will do everything in their power to make your day successful). If for some reason out of your control you have to cancel your day, please contact us with as much notice as possible, so we can try to help with your day.
